ACCREDITATION

The Blinn College District is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; Telephone number 800-248-7701) to award the associate degree. The Blinn College District is also approved by the Texas Higher Education Coordinating Board to award both associate degrees and certificates.

ACADEMIC STANDING

A student who falls below a 2.0 cumulative grade point average at the close of any long semester will be placed on scholastic probation. A student who fails to achieve a minimum cumulative 2.0 average at the close of the next long semester following the start of probation will be suspended. At the end of the third semester the student must have an overall grade point average of 2.0 or better to continue in school.

CURRENT COURSE NUMBERING SYSTEM

In the fall of 1992, the Blinn College District adopted the Texas common course numbering. The first digit in the four digit sequence identifies the course as either developmental (0), freshman level (1) or sophomore level (2). The second digit identifies the number of credit hours students earn upon successful completion of the course. Most often this digit will be 1, 2, 3, or 4. The final two digits serve to establish the departmental sequence in which courses are generally taken.

TRANSCRIPTS

Official transcripts bear the signature of a Blinn College District official. Transcripts are issued only upon the written request or consent of the student.
